

DISTINGUISHED SERVICE AWARD

BARRY BARRS

Americas Petroleum Survey Group

Barry Barrs joined as a founding member and since November 1997 has attended 21 of the 22 meetings. You have served a two year term as our Chair 1999-2001, organizing and leading 4 meetings, a five -year term as Chair of the Strategic and Technical Advisory Committee, a seven -year term as Chair of Membership Committee, and represented us at OGP Surveying & Positioning Committee and other meetings many times in the last 10 years. You have twice hosted our meetings and presented many technical papers and reports to us. You were an author of our articles of association eleven years ago, and ever since, you have been our standard bearer, peace maker, and arbitrator to ensure goodwill and harmony within APSG. Much of your distinguished service to APSG goes unseen to the general membership as you complete many tasks, large and small, to lead the organization. Your quiet, but firm, guidance has been sought by many of the APSG Chairs and Committee Chairs over the years. For continued unselfish leadership, integrity, diligence, and loyalty to our profession, we, the APSG, recognize you, Barry Barrs, for Distinguished Service to APSG and commit you to the APSG Hall of Fame.
